Dear Parent /Guardian

Corryvreckan Whirlpool Trip

Breadalbane Academy Geography Department will be running a trip to visit the Corryvreckan whirlpool on Wednesday 29th of March. The pupils have been studying this as part of our BGE Geography course and, in the process of assessing this course; it became apparent that there was a real demand to visit this lesser known natural phenomenon between the islands of Jura and Scarba on the West coast.

Our trip with Seafari (<http://www.seafari.co.uk/>) will leave their base, near Oban at **12.30 pm**. This will mean a departure from Breadalbane Academy at **9.15am** at the latest.

We will travel by minibus and have space for 22 pupils on the boats we have booked. The cost of the trip is **£35** and this can be paid on ParentPay once the pupils have confirmed their place on the trip by returning the attached form.

We need to know final numbers as soon as possible so we would like these forms returned to myself or Mr Russell by Monday the 13th of March.

We will not be back at school for the buses at the end of the school day, but we will be in time for the late service bus and can drop pupils in Kenmore on our return from the west.

Pupils will require a packed lunch and lots of warm clothes.

Please get in touch if you have any questions.

Yours sincerely

D.Woodrow
PT Geography
