

Diageo have asked us to share some apprentice opportunities currently listed on their careers website with schools and students in Scotland. Diageo are a global leader in beverage alcohol with an outstanding collection of brands across spirits, beer and wine categories and currently have **vacancies for apprenticeships in mechanical and electrical engineering, cooper and coppersmith roles across Scotland** for S5/S6 students who are at least 16 years old.

Diageo are a big supporter of the Career Academies UK (soon to be called Career Ready) programme and have, over the years, provided students on the programme with numerous mentors and internships.

Interested students should follow this link to Diageo's careers website where the opportunities are listed: : www.diageo-careers.com. Then, follow these instructions to access the list of vacancies:

- Once you have clicked on the link above, hover your mouse over the 'search & apply' tab, and select 'search openings' from the drop down menu that appears.
- On the next web page, click 'search openings'
- On the next web page, enter the word 'apprentice' in the Keyword search box, then click 'search' at the bottom of the web page. On the next web page, you will see the vacancies listed.
