Dear Parent / Carer

AH Chemistry Trip to Dundee University – Wednesday 6th and Friday 8th of December

I am writing to invite your son/daughter to the above event;
The day will include participating in a variety of laboratory based Chemistry practical tasks appropriate to the AH course

Due to the early start, Lab practical starts at 9:30am and ends at 3:30pm, students will be asked to make their own way to Dundee University.

If wishing to travel by train to Dundee University, information is as follows

Trains recommended:

Outward (Perth to Dundee) 08:42 – 09:03

Return (Dundee to Perth) 15:51 – 16:12 or next train
should run 16:46 – 17:10)

Approximate cost:

There is no cost for this event; however pupils will be expected to buy their own train ticket. An adult anytime day return costs **£11.80**

As the start and finish times are out with the normal school day, arrangements should be made for dropping/collecting your son/daughter at the appropriate train station/venue. Your son / daughter will be given a location to meet their teacher.

Pupils should attend in full school uniform and bring a packed lunch.

In order for your son / daughter to attend the attached consent form should be completed and handed to Ms Wilson no later than Thursday 30th November. Please contact the school if you have any further questions

Yours faithfully

Ms Wilson
