Dear Parent/Carer

Higher Psychology Prelim

As communicated in the groupcall message sent out to parents on Monday 23rd January, I can confirm that the Higher Psychology class were shown 50% of the Higher Psychology prelim in error as a revision exercise prior to the exam. In discussion with pupils we will give them an opportunity to sit an alternative paper at an appropriate time which fully accommodates the class. The timescale for this is likely to be 2 weeks following the end of our last prelim exam.

We have had a close look at our procedures in light of this administration error to ensure that there are no further repetitions.

I would like to take this opportunity to apologise for the inconvenience caused to those pupils concerned. Should you have any questions or require any further detail please do not hesitate in contacting me.

Yours faithfully

Mrs N Ross
