

Dear Parent/Carer

**Higher Education Information Evening**

On **Tuesday 14 March, at 6:30pm**, the school and the parent council are holding a university information evening. You and your child are invited.

The event will be attended by speakers from four of Scotland's leading universities, as well as Skills Development Scotland. There will be a panel discussion followed by an open Q&A. Relevant school staff will also be in attendance.

This is your chance to ask the experts:

- How to write the best possible application for university
- How to choose the right subjects for the course you want.
- What universities really think of gap years
- Finance and how to pay for university
- And anything else to do with the university admissions process

If your child is thinking of going to college or university, this is a great opportunity for you and them to get the inside information on how the admissions process works. I hope we'll see you there.

Yours faithfully

A handwritten signature in black ink, appearing to be 'J Devine', written over a horizontal line.

**Mr John Devine**  
**Breadalbane Academy Headteacher**
