Dear Parent/Carer

S1 Snow-Sport Experience

We would like to provide the opportunity for every pupil in S1 to have a one day ski snow-sport experience in Scotland in February/March 2018 through the outdoor education programme.

This would take place at Glencoe Mountain Resort and will be subsidised by the school to encourage participation by all. The cost will be £15 per pupil which includes transport from school, equipment hire, lift passes and full instruction. We would hope the cost will not be prohibitive to any families, but we would urge you to contact your child's guidance teacher if you feel that this cost may present difficulties.

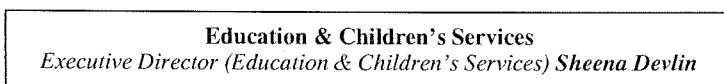

Children participating in snow-sport activities will need to bring a packed lunch and be dressed appropriately for a day on the mountain in winter with warm, fully waterproof outdoor clothing, warm hat, warm and waterproof gloves, and sunscreen.

To give your child permission to participate in this activity please return the attached form to Miss O'Shea in PE by Wednesday 22nd November.

If you have any questions please do not hesitate to get in touch via email eoshea@pkc.gov.uk

Yours faithfully

Miss Emma O'Shea
