Dear Parent / Carer

**S4/5/6 Fashion and Textile Technology**

This session your child will be working through a practical based course. They will be using a variety of textile resources throughout the course. We ask that each pupil contribute a one off payment for the year of £10 towards covering the cost of some of the basic materials. Pupils will need to provide the textiles for the main items of practical work. It would be helpful if this could be paid all at once by Friday 29<sup>th</sup> September but we understand that this might not always be possible in which case it can be paid in installments:

Money is to be paid using 'Parent Pay'.

Thank you for assisting us and please contact the school if you require more information about the Department or have any difficulties with this payment.

Yours faithfully
