Today's Meeting

Joe has passed chair over to Tamzin for the time being

Skye has been talking to some pupils and the bathroom lights don't all work.

Improvement on the buses. Pupils appreciate the presence of Mrs Thomas on the 23.

Timing for the buses has changed. If doing extra curricular activities the first bus is at 4.20pm and the next bus is at 5.40pm.

Mrs Benning has spoken to a member of the Parent Council and they have money which they are happy for us to spend. The PC need to have details of what we would like and how much they cost and where they are coming from.

Mrs Cook suggests getting advice from the builders to see what we could take with us to the new school. Speak to Andy Cook for information of what we could keep.

Photographs will appear on the Student Council notice board with names and houses underneath.

Merit system has been said that it is slow, however if the teachers use the ctrl key then the teachers can select more pupils rather than doing each pupil one by one. The rules for the merit system are fixed to a set system. Follows the 5 Breadalbane Academy Rules. Karolina was asked to compare the system here to the system in Germany. There is a difference and it is better here.

Date of Next Meeting: 18 November 2009
