Chicken and Tomato Pasta or Breaded Fish or Tomato Pasta

Parent Helpers

Many thanks to all parents who have volunteered to come into school to help in our classes. We really appreciate the support and commitment. If anyone has had their Disclosure Scotland accepted and has not been contact by myself, please give me a ring to arrange a time for you to come in.

Homework

Thank you to all parents who have completed the feedback on homework sheets (p4 – P7). Almost all the responses have been very positive, with parents and children enjoying the new challenges. We will continue the roll out programme and also provide more information on guided reading.
