

Outreach Meetings

Monthly outreach sessions will be offered in each of the four areas below from February 2014 and will give not only the children the chance to make friends and learn valuable social and communication skills which are at the heart of all the services Perth Autism Support provide, but parents will enjoy the chance to catch up with each other separately for peer support. Additionally, parents will be provided with the opportunity to invite other local services in to advise of further help and support available to them. These will now be charged at £5.00 per child.

Aberfeldy, Breadalbane Community Campus

6.00 – 7.30pm
