DW/SB

Dear Parent/Carer

**Dynamic Earth Trip: 11<sup>th</sup> January 2017**

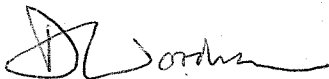

The Breadalbane Academy Geography Department are running a trip to Dynamic Earth in Edinburgh on Wednesday the 11<sup>th</sup> of January 2017. This trip will leave the school at 9am and return by 3.40pm in time for the school buses. Drop-off's in Dunkeld and Ballinluig can be arranged on the return trip, with parental consent.

The day will involve arriving in Edinburgh at about 10.45am. Once in Dynamic Earth we will attend workshops about natural disasters (we have been covering this in class). We will also enjoy a guided tour of Dynamic Earth (<http://www.dynamicearth.co.uk/>). This experience will build on and enhance the learning pupils have undertaken in class. Dependent on time and the weather we will then either pay a short visit to Holyrood Park or to the Scottish Parliament building.

There will be a cost of **£15** for this trip to cover the coach travel and the cost of the workshops and tour in Dynamic Earth. Please be aware that places on this trip are limited and will be given out on a first come first serve basis. This letter and a permission form for the trip will be available on the school website. Please complete and return the form as soon as possible. There will be a payment option set up on ParentPay for all S2 parents to enable you to pay for this excursion.

We believe this will prove to be an invaluable experience for your child and would encourage all S2's to attend. Should you have any questions concerning any of the above then please contact the school office.

Yours faithfully

**Mr D Woodrow**  
**PT Geography/ Modern Studies**
