Dear Parent Carer
Email Communication

As part of a review in the way we communicate with parents, we would like a contact email address for the parent or guardian of every child in the school. Our records show that we do not currently have a contact email address on file for your child/children.

We would like to ensure that every parent/guardian receives all communication; therefore we would be extremely grateful if you could provide this information on the slip below and return to the school office ASAP.

If you are unable to provide a contact email address please can you also advise us of this on the slip below to enable us to deliver communication to you using an alternative method.

Please do not hesitate to contact the school office should you have any further queries regarding this matter.

Yours sincerely

A handwritten signature in black ink, appearing to be 'J G Devine'.
