Dear Parent/Carer

Exam Assessment Arrangements

Recent assessment data from class tests and prelims indicate that your son/daughter may benefit from having assessment arrangements in the forthcoming SQA examinations.

To qualify for assessment arrangements, the pupil has to demonstrate that having these arrangements would make a substantial difference to their results. Subject teachers, the SQA coordinator and the acting PT Support have been involved in verifying evidence that has been given from subject teachers, where they feel that the pupil will benefit from alternative assessment arrangements.

I have enclosed a table which shows the subject(s) your son/daughter is getting assessment arrangements for in the 2017 exam diet. It also indicates if your son/daughter has agreed to the assessment arrangements that have been recommended.

Should you have any concerns, please do not hesitate to get in touch with the Acting P.T. Support, Mrs Forrester, or Mrs Gatehouse, DHT Support.

Yours faithfully

Mrs L Forrester
Acting Principal Teacher- Pupil Support (Learning).
