Dear Parent/Carer

Breadalbane Academy Community Garden Open Day

Over the course of last year and since the change of timetable in May your child has been hard at work in the community garden by Camserney. This is part of your child's N4 Rural Skills qualification and they have been undertaking a range of activities in and around the garden. This garden is now 11yrs old and there has been a massive amount of improvement over that period of time.

We would like to invite you and members of your family to come and see all the hard work the pupils have put in. We will be holding an open day on the Wednesday the 28th of June between 10am and 3pm. The pupils will be on hand to show guests around, put on some practical demonstrations, talk about the work they have done in the garden and serve up teas, coffees and juice to the guests.

We would all be very pleased to see you on the day. If you are able to attend please send me an email or a note into school with your child.

Yours faithfully

A handwritten signature in black ink, appearing to read "D Woodrow".
