Dear Parent/Carer

S4/5/6 Full Report

At Breadalbane Academy we aim to provide pupils with on-going individual support and guidance in classes throughout each year. We also believe that the involvement of parents is paramount in supporting pupils. This full report provides a summary of progress to date in National courses. There is no data for core SE/PE/Senior Activities (non-certificated)/Registration or Personal Support.

The report provides information on:

Subject & Level (At National 4/5, Higher and Advanced Higher)

Target Grade:

This is an aspirational target which pupils should be aiming for.

Working Grade:

The current performance based on evidence from class work, homework and assessments to date.

The numbers used in our school report are used to correspond to different levels of award within the National Qualification structure:

National Qualifications	National 4	6 = PASS
		9 = FAIL
	National 5 / Higher / A.Higher	1 or 2 = A
		3 or 4 = B
		5 or 6 = C
		7 = D
	8 or 9 = No award	

The report also provides an indication of pupils' performances in the following three aspects: Effort, Behaviour and Homework. It contains comments from teachers based on performance, development needs and pupils' next steps in their learning.

Please remember that a pupil's presentation level is based on current performance and can be changed up or down depending on evidence and assessment results. We hope that you find this information helpful and can use it as a basis for a discussion with your child about their progress and targets.

For certificated senior activities, an additional report will be issued at a later date outlining progress and attainment achieved.

Should you wish to contact the school regarding this report or any other matter please contact your child's guidance teacher at your convenience. The school telephone number is 01887 822300.
