Dear Parent/Carer

Severe Weather Closure

You should now be aware that due to the severe weather forecast all Perth and Kinross schools are closed to pupils tomorrow.

As a school we will continue to liaise with the Council in order to make a judgement about Friday, and will aim to let you know about any decision as soon as we can. We would hope that all pupils could find something valuable to do during this absence, whether homework or - in the case of senior pupils - exam revision. Senior pupils in particular should be aware of online resources available to support them in this regard.

You can rest assured that when the school does re-open, staff will do their very best to minimise the impact of this unhelpful disruption.

Yours faithfully

John Devine
