Dear Parent / Carer

**Technological Studies 2017-2018**

In order to cover the ever increasing costs of materials required for Technical courses, it is necessary for pupils to contribute a small proportion of these expenses. We ask that all S3 Design & Manufacture pupils make a contribution of £10.00; this does not cover all expenses incurred, but does help to go towards the cost.

All payments should be made through ParentPay. If you do not have your log-in details please contact the school office who will be happy to help. Alternatively if you would like to discuss contributing towards the costs for practical lessons further, please do not hesitate to contact the school to discuss.

Yours faithfully
