Careers Fair

Typical pupil questions you should be asking 😊

- What career areas do you recruit into? E.g. Retail, Construction, Creative?
- Can I apply for work experience with your organisation whilst at school?
- Are there any age restrictions for your jobs? E.g. Do I have to be over 17?
- What type of person are you looking for? What skills do I need?
- Who can I call/email if I have any other queries?
- What is a typical working day like in your company?
- What is the starting salary?
- What career progression is available?
- What qualifications do I need?
- What is the application process to join your company or get on the course?
- Where can I find more details? Do you have a website address?
- What entrance qualifications do I need to go to college or university to study the courses you are representing?
- If I pass my college course can I go to university or employment?
