Dear Parent/Carer

Primary Lunchtime Swimming Sessions

I have arranged with Live Active Leisure for our primary children to access the swimming pool during lunchtime public swimming sessions in June. Classes from P4-7 will be given the opportunity on a rotational basis (see table below).

If your child is aged 8, a competent swimmer, and would like to use the pool during their classes allocated session, they will need to bring a packed lunch and their swim kit. The children will be taken to the pool by a member of staff and supervised during their swim session by the pool attendant.

As children are permitted to access the pool when they are aged 8 and over, specific consent forms are not required.

Yours faithfully

Mrs D Jenkins
DHT Primary (Acting)
