If you have completed everything, have a great weekend!

Notes from the teacher

- **Please note that our 9.00am Teams Meet will now be at 10.00am each school day.**
- As it is World Book Day on Thursday, 4th March, we will be having two literacy activities this day. I would like the children to bring their favourite book to the Reading Café.
- Please indicate on your child's work if you have given them a support during an activity, as this will let me plan their next steps.
- Please read a book of own choice for a minimum of 20 minutes every day.
- Your child is welcome to continue practising their times tables and other mathematical concepts through online sites, 'Hit the Button' is excellent for number bonds, doubling, halving, multiplication and division.
