Monday

Learning Intention: to develop knowledge of spelling patterns

Activity: use as many of your spelling words (see Spelling Wk 11) as you can to create sentences about what you have been doing during Lockdown.

Minimum number of sentences -

Dogs: 3 Gaelic and 3 English

Cats: 4 Gaelic and 4 English

Hamsters : 6 Gaelic and 6 English

Extension: Spelling challenge on Sumdog – you have until Thursday to complete this!

*Practise spelling for 10 mins daily

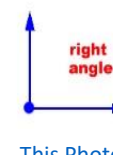

Learning Intention: I can find angles in a context.

Activity: Today we are starting a new topic looking at angles!

Have a think, and write down, when you think we would need to understand and use angles.

Then have a look around and see if you can find anything will **right angles**.

Take a photo of what you find!

Learning Intention: I can identify the similarities and differences between Greece and Scotland.

Activity:
Watch the YouTube link on Teams.

P1-3 – Draw some pictures showing the differences you could see in the video about between Scotland and Greece.

P4-6 - Using the information from the video (history, language, food, animals, etc), research and make a list comparing Greece and Scotland. Example to start you off:

	Greece	Scotland
Food		
Animals		
Flag
