

# ***GME P4-6 Learning from Home Plan***

## ***Weeks Beginning: 22/06/2020 and 29/06/2020***

	Literacy Mrs MacDonald	Numeracy Mr Poole	Topic/ Other Mr Poole
<b>Monday</b>	<p><b>Activity:</b> continue <b>Island Project</b> for the rest of the week (see Teams Reading Files Island Project for all resources)</p> <p><b>Add these tasks to your planner this week:</b></p> <p><b>Gaelic Reading:</b> All: go to Storyworlds and read two books this week</p> <p><b>English reading:</b> <b>Carrots:</b> go to Oxford Owl and read two books online this week <b>Broccoli &amp; Parsnips:</b> read the next two chapters of your English reading book this week</p> <p>*Aim to read for enjoyment for 20 minutes every day</p>	<p><b>Learning Intention:</b> I can use number functions within a context.</p> <p><b>Activity:</b> <b>P1-3</b> – Log into Education City and complete the Homework activity.</p> <p><b>P4-6</b> – As part of your topic of creating an island, create a currency. Think about what you will call it, and how it will be broken down (eg, pound and pence) and how many units of currency you will have (eg, 1p, 2p, 5p, etc).</p>	<p><b>Learning Intention:</b> I can identify and replicate key features of a picture.</p> <p><b>Activity:</b> Find a picture of Greece online:</p> <p><b>P4-6</b> – Draw a picture of Greece using the image you found online. Include geographical features such as mountains, rivers, and the islands around mainland Greece. Add in the location of the major cities as well, writing their names where they are on a map</p>

Tuesday	<p><b>Activity:</b> continue Island Project</p> <p>*Aim to read for 20 minutes every day</p>	<p><b>Learning Intention:</b> I can use number functions within a context.</p> <p><b>Activity:</b></p> <p><b>P4-6</b> – Now that you have your currency, think about what will be available to buy and how much each thing will cost. The items available will be unique to your island and think about what will be cheaper/ more expensive than other things.</p>	<p><b>Art Lesson</b></p> <p>Please click on the link to access the art lesson and resources prepared by Mrs Boyd:  <a href="https://www.breadalbane.pkc.sch.uk/art-resources/">https://www.breadalbane.pkc.sch.uk/art-resources/</a></p>
Wednesday	<p><b>Activity:</b> continue Island Project</p> <p>*Aim to read for 20 minutes every day</p>	<p><b>Learning Intention:</b> I am improving my fluency and speed of my mental maths skills.</p> <p><b>Activity:</b></p> <p>Complete challenge on Sumdog. PLEASE do this challenge as it lets us see how you are doing with your mental maths.</p>	<p><b>Learning Intention:</b> I can organise my own Olympic games, and select appropriate activities.</p> <p><b>Activity:</b> (This is to be done over 2 days)</p> <p>Watch the video about the Olympics:  <a href="https://www.youtube.com/watch?v=WBPI SN wIOM">https://www.youtube.com/watch?v=WBPI SN wIOM</a></p> <p><b>P1-3</b> – Using items from around the house/ garden, try some of the sports which are done at the Olympics (can be present and/or former sports). Make videos of yourselves trying them.</p>
Thursday	<p><b>Activity:</b> continue Island Project</p> <p>*Aim to read for 20 minutes every day</p>	<p><b>Learning Intention:</b> I can share my thoughts and feelings in a clear manner.</p> <p><b>Activity:</b></p> <p>Reflecting on your time in lockdown and learning from home, think about what you have enjoyed doing and what you have found a bit tricky/ no enjoyed doing in maths at home. Give your reasons why and send your thoughts in on Teams. 😊</p>	<p><b>P4-6</b> – Using items from around the house/ garden, create a series of Olympic activities for yourself and anyone at home to try out. Make videos of who brings home the gold medal!</p>

			<p><b>All</b> – Traditionally, Olympic medals are bronze, silver, and gold. Design your own medals which you would want given out at your own Olympic games. 😊</p>
Friday	<p><b>Activity:</b> continue Island Project</p> <p>*Aim to read for 20 minutes every day *Complete Sumdog Spelling test today*</p>	<p><b>Learning Intention:</b> I am improving my fluency and speed of my mental maths skills.</p> <p><b>Activity:</b> Complete the multiplication challenge on Sumdog. PLEASE do this challenge as it lets us see how you are doing with the times tables</p>	<p><b>Health &amp; Wellbeing</b> Please click on the link to access the HWB lesson prepared by Mrs Munro: <a href="https://www.breadalbane.pkc.sch.uk/health-and-well-being/">https://www.breadalbane.pkc.sch.uk/health-and-well-being/</a></p>
Next week	<div> <div> <p><b>Class Celebration of Success</b></p>  </div> <div> <p>School is coming to an end and it is time to celebrate all that you have achieved.</p> <p>Thinking about your classmates, create a Golden Award for someone else (you can do more than one as we know you will be spoilt for choice!) to praise them for something they have done through the year. Who will you give it to? What will it be for? It can be funny as well as serious i.e. to Jim Bob for his funny jokes and making everyone smile.</p> <p>Make your award into a certificate as a picture, poster or Powerpoint, then post it on the Home Learning page.</p>  </div> </div>		

## Sports Day!

Sadly, there will be no sports day for us this year, so we thought you could recreate one yourself!

Look at what equipment you have and plan some races or challenges. Remember they don't have to be the traditional ones that we always do, maybe you could come up with something different and more exciting. We made hurdles in our garden from planks of wood perched on the tops of welly boots! Think about who will be participating.

Invite your family or friends to take part in your sports day. Remember to reward those who participate as well as those who succeed. Share your ideas and successes with us on Teams or Seesaw.

## Teach the Teacher!

The end of term is looming and Mrs MacDonald and I have exhausted all of our fantastic lesson ideas, so it is over to you!

What knowledge have you been dying to impart on us? What skill can you teach us..remotely? Is it as easy as we make it look?!

Choose something that you are passionate about and create a word document, poster, powerpoint, video, - anything you'd like - to teach us your skill or knowledge.

Post your lesson on Teams or email it to us.

What new things will we learn? We can't wait to find out!

Thank you Parents!

Your lovely parents have found themselves in a new job...that of a teacher! They have had to juggle family life, their own work, and a hundred other things you probably don't even know about...as well as teaching you and helping you with your learning!

Let's say THANK YOU in the nicest way. You choose: Write a thank you letter; make a card; write it with pebbles; draw a picture; make them a cup of tea and a biscuit.

Finally... thank you. We are very proud of you all. Have a very happy holiday and we'll see you in August!

Mar sin leibh 😊

Mrs MacDonald, Mr Poole agus Mrs MacSween

## Notes from the teacher

### Extra literacy activities:

**Storyworlds** Gaelic Reading books online (PDFs): <https://seosibh.storlann.co.uk/jspui/handle/1/187>

**Oxford Owl** ebooks free to read online (PDFs): <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

Online literacy games & puzzles (P4): <http://www.crickweb.co.uk/ks1literacy.html>

Online literacy games & puzzles (P5/6): <http://www.crickweb.co.uk/ks2literacy.html>

We are busy getting the classrooms set up for the new school year so won't be available on Teams all of the time but will get back to you as soon as we can to answer any questions that arise.
