Choose a side: School is better than home school. (you decide if you are FOR i.e. school is better; or AGAINST i.e. home school is better). We thought this would be fun so have jumped on the bandwagon! We don’t have to bury the capsules – maybe you could ask your parents to hide it away for ten years.</p> <p>We will give you a task a day over the next fortnight and then we will seal our time capsules. Your first task is to find a shoebox or suitable container that can be your time capsule. Decorate it is today’s task. Have a look at this link to see the kind of things we will fill the time capsule with...<br/><a href="http://www.mykidsadventures.com/time-capsule/">http://www.mykidsadventures.com/time-capsule/</a></p> |

## Notes from the teacher

Apologies for us having to cancel the live lesson last week. We had an extra staff meeting about reporting. We hope you were able to make the most of having that extra time as it was a beautiful sunny day! Our Live Lesson this week will be: Wednesday 10am, unless you hear otherwise. Check the Home Learning Channel of the P5 Team for updates and for the Join button for the meeting. Mental Maths then Listening and Talking – Debate. This week we will have a live debate about the topic of: School is better than home school. (see Monday Literacy lesson for details).

Don't seal your time capsule yet! We will be adding a few more things to it next week. If you have any other ideas of things everyone could add, please post your ideas on P5 Team – Home Learning – Posts.

For the work set, all worksheets etc are on the school website (<https://www.breadalbane.pkc.sch.uk/primary-5-learning/>) as well as in the P5 Team under the Files tab in the relevant subject area channel. If you cannot print or use the worksheets just write the answers in your jotter.

We hope you are enjoying the tasks set and are having a nice time doing additional things with your family.

Mrs Seward 😊 and Mr Poole 😊
