Activity: **Theme Park Design**

Maybe by the end of the holidays, or certainly by next Summer, we will be able to think about days out and holidays away. Can you design a theme park that you would enjoy visiting – a dragon world, legoland, a farm park? You have £600,000 to build your own theme park. Your theme park must have rides, a car park, toilets, cafes, shops and paths. Design your theme park on squared paper (tip – draw light vertical lines on a page in your jotter to make a squared page), using the following information.

Item	Number of squares	Cost
Large ride	8	£50,000
Small ride	5	£24,000
Cafe	5	£11,000
Shop	4	£6,000
Toilets	3	£2,000
Paths		£150 per square
Car park		£400 per square
Boating lake (optional)		£3,000 per square
Splash park (optional)		£2,000 per square
Crazy golf (optional)		£2,000 per square
Adventure playground (optional)		£1,500 per square
Indoor soft play (optional)		£3,000 per square
4D cinema (optional)	6	£32,000

Send a photo of your finished designs. I'd love to see them.

Topic/ Other

OLI: Self portrait and memories of P6

Activity:

I always like to start and end the school year with a self-portrait.

Can you do a picture of yourself, head only or your whole self, perhaps in a funny pose, and write beside it

- A memory from this year – funny, happy sad – PE, outdoor learning, Titanic, Solheim Cup
- A memory from lockdown, funny, happy or sad.

Take a picture of your drawing and post it on Teams, so that your friends can share and comment.
