Dear Parent/Carer

New PE Kit for Breadalbane Academy Pupils

As part of promoting a positive ethos within the school and PE department, we are introducing a standard PE kit. Whilst we are not currently suggesting that this kit is compulsory, we would very much encourage parents to support us with this initiative. By buying in bulk, we have been able to negotiate prices which we feel are very competitive for what is high quality sportswear. Rather than creating an additional cost for parents, we would hope that this kit may represent a saving in comparison to equivalent kit purchased from 'High Street' retailers. This kit has been agreed in consultation with pupils themselves, so we are hopeful that they too will be happy to support this initiative.

Kukri is a well-known sports brand and we have used this company to design kits for the school and create a facility whereby parents can purchase the kit directly from the company's website.

There is a range of items available to purchase via this link:

<https://www.kukrisports.co.uk/teamshop/breadalbaneacademy-physicaleducation/productNavList.action>

Or via Google:

- 1) Type in Kukri and click on the first link (Kukri Sports)
- 2) Go to the Shop tab (top right) and under team shop select search for team shop
- 3) In search bar start typing Breadalbane Academy
- 4) A number of options will appear however please select Breadalbane Academy – Physical Education
- 5) Select item(s) you wish to purchase and buy online as normal.
- 6) All items will be sent directly to your home therefore no money will need to come to school for this.

The link will also be available from the School Website and our Twitter feed @BreadAc_PE

On the website you have the additional option to add your child's name to the back of the tops. This is at extra cost (£3.50 +vat). You are welcome to add names to the tops which will hopefully prevent pupils from losing them.

We have a range of tops within PE should your son or daughter wish to try on for size before purchase.

Yours faithfully

Mr Scott Douglas
PT Physical Education and Outdoor Education
