Dear Parent/Carer

P4-7 Bus Pupils

As you may be aware our supervision arrangements are such that most pupils are unsupervised prior to the school day starting. Whilst pupils coming to school by bus or taxi are entitled to supervision, which is provided in the infant playground, other pupils gather in the P4-7 playground where their parents are responsible for them until the bell at 9am.

In the past, a number of P4-7 bus pupils asked if they could go to the P4-7 playground to be with their peers prior to the school day. The school continues to have no objection to bus pupils in these year groups going to the P4-7 playground, provided parents are in agreement.

With parental permission, pupils can stay in the P4-7 playground on the understanding that upon getting off the bus they have to let the staff member know they have arrived. In the playground they should behave in a responsible manner and come into school if they require assistance. Should pupils not behave appropriately they will be required to return to the P1-3 playground.

Please return the slip below indicating what you wish your child to do prior to school starting at 9am.

Thank you for your co-operation.

Yours faithfully

Mrs Vicky Marshall
DHT (Primary)

P4-7 Bus Pupils

Child's name _____ Class _____

I wish my child to stay in the P1-3 playground prior to the school day where he/she will be supervised.

I give permission for my child to go to the P4-7 playground prior to the school day and understand that he/she will be unsupervised.

(Please delete as appropriate)
