Dear Parent/Carer

Show My Homework Log-in Details

During classes last week all S1-3 pupils were introduced to the Show My Homework system and during this week it will be the turn of our S4-6 pupils. During these introductory sessions your son/daughter has been shown how to use the Show My Homework platform, including its To Do List, Homework Calendar, Notice Board and mobile phone app features. Pupils have also been provided with the required log in details in order to begin using this exciting new resource.

Attached to this letter are the log in details and instructions for parents/carers to access and begin exploring Show My Homework. For parents/guardians there are 2 separate ways to access Show My Homework, either directly through the website at showmyhomework.co.uk/signup (there is a direct link to this page on the Show My Homework tile at the bottom of the main page of the school website). Alternatively, a mobile app can be downloaded to allow easy access from a mobile handset for speed and convenience.

From **Monday 27th August** all homework tasks issued to **S1-3 pupils** will be entered onto Show My Homework and can be viewed by pupils and parents/carers.

From **Monday 3rd September** all homework tasks issued to **S4-6 pupils** will be entered onto Show My Homework and can be viewed by pupils and parents/carers.

If you have any questions about the introduction of Show My Homework within our school then please do not hesitate to get in touch with me.

Yours faithfully
