Dear Parent/Carer

Pause Prompt Praise

We are running a short programme of sessions called Pause Prompt Praise; the aim of which is to help parents/carers/grandparents learn some strategies and feel more confident to support their children with reading. The programme has been running in other schools within the council and parents and children reported having an enjoyable, relaxing time together reading, regardless of their reading ability. There are five sessions involved and during this time you will get to spend some time with your child in the library, choosing a book at an appropriate level and reading or working on an associated activity together. The Pause Prompt Praise sessions will be supported by P2 teacher Mrs Hunter and will be very relaxed, with refreshments provided towards the end of each session.

Initially sessions will be targeted for primary two and three pupils as well as primary four GME pupils. The sessions will run from 1.45pm to 2.45pm with parents meeting in the library on the following Thursdays: 1st November, 8th November, 22nd November, 29th November and 6th December. The first and last date falls on the day of our Open Sessions so shortly after finishing the Pause Prompt Praise activities your child can show you other learning taking place in class.

Please let your child's class teacher know or email Breadalbane@pkc.gov.uk if you would be interested in taking part in this programme. For further details please see the flyer distributed in reading bags which is also on the school website as well as social media.

Yours faithfully

Mrs Marshall
