Dear Parent/Carer

Supported Study

We are committed to providing support to all pupils as they navigate their way through the challenges of certificated courses at Breadalbane Academy. One method of our support is through the Supported Study Programme that is offered by class teachers at both lunch time and after school (full programme attached). During these sessions pupils can receive extra direction with a problem they have encountered, go through a past paper or study for an upcoming assessment all with the support and guidance of a subject specific teacher.

All pupils are welcome and encouraged to take advantage of our Supported Study Programme, especially with prelim examinations fast approaching from Monday 14th January to Friday 25th January 2019.

Yours faithfully
