Dear Parent/Carer,

### **Access to Free Sanitary Products**

The Scottish Government has committed to providing free sanitary products to students in schools, colleges and universities to support equality, dignity and rights for those who menstruate and to ensure that lack of access to products does not impact on an individual's ability to fully participate in education at all levels.

Breadalbane Academy support staff have consulted pupils who fall into the above category to find out their views on the types of products we should offer and their accessibility (including during holiday periods).

Our students have requested that these products be made available in the PE changing rooms and in the support department. Support will also be provided on how to use these products where appropriate.

Should you have any further questions regarding this please do not hesitate to the school office on 01887 822300.

Yours faithfully,

*K. A. Gatehouse*
