Dear Parent/Carer

S4-S6 Tracking Report

Please find enclosed the last Tracking Report that will be issued this year. This report is designed to provide you with information on current progress and next steps for learning in all of the subject areas that are being studied.

Within this report you will find the usual detail on effort, behaviour and homework engagement along with the target grades and current working grades. In addition to this you will also find the result of the recent prelim exams that and a detailed comment outlining positive areas of progress, strategies for improvement and any potential level changes.

Please note that we have made slight amendments to the target grade and working grade boundaries to provide even more detail on progress, especially for those working around the border of one qualification level and another. Please see box below for descriptions;

National 4	6 = pass
	8 = close fail
	9 = level change required
National 5 / Higher / A.Higher	1 or 2 = A
	3 or 4 = B
	5 or 6 = C
	7 = D
	8 = close fail
	9 = level change required
	Blank = unit(s) only

As we move through this term and quickly towards the final exam diet, which begins on Tuesday 28th May, I would like to highlight two additional opportunities for support that are available to all pupils.

Supported Study

An extensive Supported Study programme is offered at lunch time and after school, see timetable enclosed, for pupils to informally drop into for subject specific support from a wide range of teachers.

Easter Study School – 1st April to 12th April

We are also running our Easter Study School between 9am and 3.30pm everyday throughout the Easter break, see timetable attached, which is a further opportunity for pupils to take advantage of specialist support in a structured but relaxed atmosphere.

We hope that these 2 programmes, alongside the positive daily teaching experience, ensures that all pupils are fully supported to reach their full potential.

Should you wish to contact the school regarding this report or any other matter, please contact your child's guidance teacher on 01887 822300.

Yours faithfully

Mr Tim Woodcock
Depute Head Teacher
