Dear Parent/Carer

S1 Tracking Report

Please find enclosed the second and final tracking report that will be issued this academic year. This report is designed to provide you with information on current progress and next steps for learning in all of the subject areas that are being studied.

We have made significant changes to our reporting system this session and we would like to gather the views of parents/guardians on the impact of these changes as we begin planning for next session. A very short online survey will be sent to all parents today and we would really appreciate your time and support by completing this.

We hope you find this tracking report useful and should you wish to discuss any aspect of this report, or any other matter, please contact your son/daughters Guidance Teacher via the school office.

Yours faithfully
