

Reading or having a story read to you is a wonderful thing for the imagination.

This year we would like you to use that imagination to choose one of your favourite book characters and instead of dressing up, we are asking pupils to make a BOOK CHARACTER using VEGETABLES!

A POTATO is one of the easiest vegetables to use but you can let your imagination run wild.

- Make a book character from a potato (or other vegetables or fruit)
- Don't spend more than £2.50 making your vegetable
- You should keep your vegetable creation under 20cm x 20cm
- Fill in an entry form so the judges know who your character is
- Bring your character into school on Thursday 7th March for display in your class

If you don't want to make a vegetable character, do not worry. You can just enjoy the characters in your class or have fun guessing who they are!

We hope that our competition will help you celebrate your favourite stories with your child and cherish your love of reading. There are many other ideas on the World Book Day website and other competitions to win books.
