

<p>Literacy:</p> <p>Reading: Working through ORT Reading Scheme. Using books to find useful information and use this to plan new activities. Sharing thoughts on characters and events we find in fiction books.</p> <p>Listening and Talking: Using our new words and phrases to express our thoughts and learning. Sharing our findings and experiences in imaginative ways.</p> <p>Writing: Create short stories by describing picture sequences, using a minimum of 3 sentences. Consolidating basic punctuation, finger spaces and handwriting formation and size.</p>	<p>Numeracy:</p> <p>Mental maths: Continuing language associated with shape, time and measure. Counting back and forward from 20 and doubling numbers within 10.</p> <p>Expanding number knowledge by counting beyond 20 to 100. Consolidating number bonds within 10. Linking events and personal routines to time sequences (days, weeks, months, seasons). Understanding patterns and lines of symmetry.</p>
<p>Health & Wellbeing:</p> <p>Linked to our topic work, we will handle, prepare and eat different foods linking to how this helps us grow. We will discuss who cares for us and looks after us and how we can look after others. We will learn about how to look after our bodies and who can help us.</p> <p>P.E. – Athletic skills and introduction to tennis.</p>	<p>Contexts for Learning:</p> <p>We are developing our understanding of ‘living and growing’ to include humans, animals and plants. As we move from Spring to Summer we will watch the changing world around us. We will learn the correct names for parts of our body and how they work; testing our senses and recognising differences and similarities. We will explore plant and animal life cycles and what is needed to be healthy and promote growth; creating healthy food snacks for us and learning where foods come from around the world.</p>
<p>Other Events:</p> <ul style="list-style-type: none"> • School Trip • Health week • Sports Day • Reports
