Dear Parent/Carer

S2 Outdoor Education Walk Thursday 23rd May 2019

Outdoor education is now a significant component of the Broad General Education for S1-3 pupils. This year we are having an Outdoor Learning Day and as part of this, Breadalbane Academy is taking the whole of S2 out for a quality day in the hills on Thursday 23rd May. This fits in with a national drive to make our children healthier, fitter and more appreciative of their natural environment. Our expedition will be a day of learning in the 'great outdoors.' Suitably trained and qualified staff will accompany the pupils.

The Route

The round walk is approximately 10 miles and will go to a height of 390 metres. The route begins at the school, crosses Wades bridge then follows the river, emerging at Camserney road end. A track then takes us up through trees and farmland, emerging onto open and wild countryside. If you would like to check this route you will find it on the 1:25000 OS map no.386, beginning at grid ref 854488 (Breadalbane Academy) 803519.

What to Bring on the Day

Clothing etc.: Pupils should wear walking boots or sturdy trainers, comfortable clothing and waterproofs. In case of good weather, sun-cream and a hat are essential. Any normal and necessary medication should be brought. A bag that can be worn on the back will be most comfortable.

Food and Drink: We will be providing pupils with juice at the community garden and hot sausages in a roll at the lunch stop. However pupils should bring any extra lunch they would like, water and snacks for the journey. A contribution of £1 per pupil towards the sausage rolls would be welcome. Pupils should bring the money with them on the day of the walk.

Please return the consent form by Friday 17th May stating any dietary requirements.
If you have any queries, please contact the school office on 01887 822300

Yours faithfully
