

DROP IN SESSIONS FOR PARENTS AND PROFESSIONALS IN RURAL AREAS

Do you live in Pitlochry, Aberfeldy, Crieff or Blairgowrie?

Are you interested in hearing what services Perth Autism Support has in your area?

Have you heard about our new Rural Funding, but not sure what this means for you?

Does your young person already access our services, but you want to know more about the team or make suggestions?

- Meet Elaine Finnie, our new Community Development Manager.
- Hear about our new Outreach Summer Programme!
- Learn about what our Rural Perth and Kinross LEADER and ask any questions you may have
- Get a chance to suggest any changes you'd like to see to our services or discuss ways in which PAS could further support families and communities
- Hear about our Training Programme for parents and professionals in rural areas
- Share strategies and ways of supporting your young person – whether you are a parent, a carer or a teacher.
- Just pop in and have a chat with the team!

The sessions will run along our activities, so parents can just stay after dropping off their young people and have a catch up with us!
