Dear Parent/Carer

Reduced Class Contact Time	Mrs A Seward and vacancy (1 day)

Mrs Brown will be continuing her work as Pupil Support Teacher next session. Once we have been informed how many days PST allocation we have I will be able to let primary two parents know how many days Mrs Brown will be the teacher for and how many days another teacher will be teaching the class. We hope to have the vacancies filled prior to the summer holidays.

The classes have been structured considering the pupils we currently have on our roll and those confirmed to be joining us next session. This does mean that should we have a number of pupils join us unexpectedly we may need to restructure the classes. In the event of this happening we will notify you as soon as possible.

To enable a smoother transition for pupils we are having a 'Move Up' morning when pupils will work in their new classrooms with their new teacher where possible. This will take place on Wednesday 5th June. Primary pupils should register with their existing teacher in their current classroom and everyone will move up into their new classes following registration. Following lunchtime pupils will return to their current classrooms. Nursery pupils have already received information regarding their arrangements for their two transition mornings into P1 on Wednesday and Thursday.

Please do not hesitate to contact myself at the school if you would like to discuss this or have any concerns.

Yours faithfully

Mrs V Marshall
