Dear Parent/Carer

Belonging, Believing, Aspiring and Achieving at Breadalbane Academy

I write to welcome your child to Breadalbane Academy primary school. In joining P1, they take the first steps on an educational journey which I trust will see them leaving the secondary as young adults ready for life and work. This may seem like a long way off now, but every day of primary and secondary school will impact in some way on your child's future success.

Our school values: ***belonging, believing, aspiring, achieving*** summarise the journey we want our young people to make:

Belonging: We want all our young people to feel from the word go that they are a part of the school and that the school is here to support them in being as successful as they possibly can be. No matter who they are, we aim to ensure that they are respected and have every opportunity to flourish.

Believing: We want our young people to develop the self-belief and resilience they will need to overcome challenges and make the most of their time at school.

Aspiring: From the first week of P1, pupils will work alongside their teachers to set challenging targets, which through teamwork with staff they should be able to achieve. As they progress through primary, they will also have the opportunity to consider their career beyond school.

Achieving: We want your child to be part of Breadalbane Academy's proud tradition of excellence in academic attainment and wider achievement. We will do our very best to provide your child with the opportunities they need, but will also ask of them that they work hard from the outset to achieve the very best they can.

I wish your child a very successful and enjoyable time at Breadalbane Academy and look forward to working closely with you to support them.

Yours faithfully
