Dear Parent/Carer

Advanced Higher Physics Trip to Dundee University

I am writing to invite your child to a Rotational Motion Workshop at Dundee University on Wednesday 11th September 2019. This workshop runs from 9:30am and will end at 12:30pm. There is no cost for this event; however, pupils have been asked to make their own way to the venue and should attend in full school uniform.

The day will include participating in a variety of laboratory based Physics practical tasks appropriate to the AH course. In order for your child to attend, please complete the attached parental consent form. The completed form should be handed to Mr McLean by Tuesday 10th September.

As the start and finish time are outwith the normal school day, arrangements should be made for dropping / collecting your child at the appropriate train station / venue. Your child will be given a location to meet their teacher.

The train times recommended for pupils are below:

Outward (Pitlochry to Perth) – 07:26-07:57

Outward (Perth to Dundee) – 08:45-09:07

Please contact the school office on 01887 822300 if you have any questions.

Yours faithfully

Mr David McLean
Physics Teacher
