Dear Parents/Carers

As of the week commencing Monday 2nd September, we are starting a weekly outdoor learning session. This will be on a Tuesday afternoon, from 1pm, taking us to midway through the Autumn term, weather dependent. We are looking to explore the Birks and surrounding areas to link in with our topics and core curriculum work. To achieve this, I need some help and am asking if you would be able to accompany us on 1 (or more!) trips. The more people available, the more we can spread the load. If you can help, please circle your preferred week(s) below and return to me, so I can allocate slots as soon as possible.

For the children, they will need appropriate "labelled" clothing and footwear, as we will be going out no matter what the weather. We will take their 'small' afternoon snack with us and a drink. May I please take this opportunity to remind you that children may drink water during class time, should you wish to provide a water bottle for use in school.

Yours faithfully

Mrs Julie Thomson
Primary 1 Teacher

P1 Outdoor Learning

Child's name: _____

Parent/Carer name: _____

Dates: 10/09 17/09 24/09 02/10 22/10 29/10
05/11 12/11

(NB) We are having outdoor learning on 03/09 but already have helpers available.
