Dear Parent/Carer

Show My Homework

During class this week all S1 pupils have been introduced to the Show My Homework website that we have successfully introduced across the whole school over the last year. During these introductory sessions your son/daughter has been shown how to use the Show My Homework platform, including its To Do List, Homework Calendar, Notice Board and mobile phone app features. Pupils have also been provided with the required log in details in order to begin using this valuable resource.

Pupils were also issued with parent/carer login information that will allow you to access the platform and begin utilising the features of Show My Homework.

As from Monday 9th September all homework tasks issued to S1 pupils will be entered onto Show My Homework to be viewed by pupils and parents/carers. There is an expectation that all pupils will use this site and parents/carers are encouraged to use the site as they see appropriate.

If you have any questions about the introduction of Show My Homework within our school then please don't hesitate to get in touch with me.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Tim Woodcock'.

Tim Woodcock
