Dear Parent/Carer

It is now only approximately 120 Days until our trip to Pila, Aosta for the Ski trip!

This letter has a few reminders and a request for information which is required by Interski to help their organisation for our time in Italy.

Payment:

The final deadline for full payment for the trip has now passed. If you still have an amount outstanding please can you pay this as a matter of urgency.

Passports and EHIC cards:

A reminder to send in a copy of your passport and EHIC card to either Mr Woodrow in Geography or to Mr Douglas in PE. Passports must have 6 months left on them after the date of return which is 12th January 2020. If you do not have a Passport or EHIC card please do not leave this until the last minute as it can take a while to arrive and we must have details before the end of term 03/09/2019. We are not sure the EHIC will still be in use in January but until we know for sure it is better for us to have this in place.

Information Details:

To ensure we have all the details required in plenty time prior to the trip I am asking for this now (see attached sheet). If any details change prior to the trip please get in touch as soon as possible to let myself know so I can update this.

I will also send out a medical form closer to the trip to ensure all medical/dietary information we have is 100% accurate.

Please complete the attached sheet and pass back to Mr Douglas (PE) by 12th September

Ski Trip Kit List:

See below a kit list I would recommend pupils bring to Italy. Please ensure you pack all the required clothing and equipment for your trip. If you are planning on renting a Ski Jacket and salopettes then please do so via <https://www.interski.co.uk/Rental/>

I have been in touch with Interski asking when this rental page will be open they are hoping it will be live late next week.

For clothing to wear after skiing pupils do not need a lot of items. As long as they are comfortable and warm that is all that matters.
