Dear Parent/Carer

COVID-19

I would like to begin by apologising for not being in touch sooner regarding the current COVID-19 epidemic. I know that it is difficult time for us all, and in such situations communication is vital. You will appreciate, however, that the local authority has been keen to ensure that messages coming to parents are consistent across schools and so has discouraged direct contact from individual schools on this matter.

Nevertheless, we have now taken the decision to share with you the attached briefing document which tries to pull together key advice and updates in one place. I hope you will find this useful, but if you have further questions please do not hesitate to contact the school.

Despite very challenging circumstances, including considerable staff absences, we are trying our very best to maintain a high level of service for our young people until such time as any decision is taken by government on school closures. With this possibility in mind, our two main priorities at the moment are planning for remote learning/teaching and preparing for all eventualities regarding SQA examinations.

Yours sincerely

A handwritten signature in black ink, appearing to be 'JD'.
