Glow uses app tiles - it look similar to a smart phone screen! When you log in you are taken to the Launch Pad - it will look something like this.

Simply click on the app you wish to access and it will take you to the appropriate part of the site.

Different classes and stages will make use of different apps but Microsoft Teams (circled above) can be used by all teachers and students to communicate. In the Secondary, all classes and teachers also have access to Show My Homework.

## Key Points to Remember

Glow is designed to support pupil learning and can be accessed from PCs, laptops, Chromebooks, iPads and other tablets, and most smartphones.

If you have any issues accessing your Glow account, please check that you are trying to access via GOOGLE CHROME. Glow isn't fully compatible with Internet Explorer.

If you can't remember your username or password please just email Ms Sanderson on <u>gw15sandersonjulie@glow.sch.uk</u> and she will do her best to get you back up and running.
