

Are you aged 16-24 and thought about a career where you learn on the job, gain new skills and earn a salary?

Then a Modern Apprenticeship may be for you.

We will be advertising a variety of opportunities in different occupational areas, from working in Early Years and Adult Social Care to Greenkeeping, Housing and Stores & Warehousing.

If any of these careers interest you, sign up to our jobs portal (www.myjobscotland.gov.uk) **now** and be ready to apply when the vacancies are available – 14 August 2020!

Further information about our Modern Apprentice Programme is available at [Employment-opportunities-for-young-people](#)

Our Modern Apprentice Programme is supported by Skills Development Scotland funding
