Dear Parent/Carer

### S3 Reports

The enclosed report contains a summary from teachers on pupil performance, designed to give you an overview of how well your child is engaging and progressing through the initial stages of S3 at Breadalbane Academy. This report includes information on effort, behaviour and homework on a scale from 1 (excellent) to 4 (serious concerns), together with a short teacher comment. Additionally, all core subjects and some option masterclasses, have been assigned a Curriculum for Excellence level achieved.

### Level Achieved

Please note that schools in Perth and Kinross have now moved to a new reporting module called 'Progress and Achievement'. The new system requires teachers to report at the Curriculum for Excellence level that the young person has *achieved* rather than the level they are *working at*, as has been the case in the previous system. This means that a pupil working at level 3 will be shown as having achieved the level below i.e. level 2. Please do get in touch with your child's guidance teacher if you require further explanation of levels and how they are recorded.

### Reporting on Progress within a Level

Please also note the new system will allow staff to report on progress within a level. The aim is that we should have introduced, and quality assured this aspect of the programme by the end of this session. In the meantime, we are using level achieved in this section of the report, with a comment on progress.

Should you wish to contact the school regarding this report, or any other matter please contact your child's guidance teacher at your convenience.
