Dear Parent/Carer

During the recent school closure a number of our nursery - P3 pupils were communicating and sharing work with staff via an app called Seesaw. You and your child may already be familiar with Seesaw from this time; we intend to build on this and use Seesaw as a way for pupils to submit homework next term. Not only will this allow work to go between home and school in a safe way but it also means if pupils are required to learn from home in the future there is an easy way for pupils to communicate with staff.

In order for your child to use Seesaw, the app needs your child's name in order to be able to associate work like their photos, videos or voice recordings with their account. Seesaw only uses this information to provide the service and doesn't advertise in Seesaw, create profiles of students, or share or sell your child's personal information or journal content. You can read more about their privacy guidelines here: <https://web.seesaw.me/privacy>.

Under an EU law called the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

Class teachers are setting up the new class Seesaw accounts. I would appreciate it if you could please email breadalbane@pkc.gov.uk to give your consent for your child to use Seesaw. Once consent is received you will be issued with log-in details after the holidays.

If you have any queries or concerns please don't hesitate to get in touch with me to discuss the matter.

Yours faithfully

V.L. Marshall

Mrs Marshall
