Dear Parent/Carer

## S2 Tracking Reports

The enclosed report contains a summary from teachers on pupil performance, designed to give you an overview of how well your child is engaging and progressing through the initial stages of S2 at Breadalbane Academy. This report includes information on effort, behaviour and homework on a scale from 1 (excellent) to 4 (serious concerns), together with a Curriculum for Excellence level achieved for Core Subjects.

### Level Achieved

Please note that schools in Perth and Kinross have now moved to a new reporting module called 'Progress and Achievement'. The new system requires teachers to report at the Curriculum for Excellence level that the young person has *achieved* rather than the level they are *working at*, as has been the case in the previous system. This means that a pupil working at level 3 will be shown as having achieved the level below i.e. level 2.

Should you wish to contact the school regarding this report, or if you require further explanation of levels and how they are recorded, please contact your child's guidance teacher at your convenience.

## S2 Parents' Evening - Update

You will have an opportunity to discuss this report and next steps with your child's teachers during the parent contact appointments on Tuesday 3<sup>rd</sup> November or Wednesday 4<sup>th</sup> November. When we wrote to you on 19<sup>th</sup> October, we believed we were in a better position to offer a virtual parents' evening due to recent upgrades in PKC digital capacity and connections. However, due to concerns raised in our final trial and the unsatisfactory experience of another Perth and Kinross secondary school who undertook a virtual parents' evening last week, we have decided on this occasion to conduct all appointments by phone calls. Using the slots already booked by parents, staff will now phone the main contact number at the time allocated.

Please note:

- In order to ensure the event runs smoothly, **appointments cannot overrun beyond the 5-minute slot.**
- Staff will be provided with the main contact number and a land line number (if this is different). Please notify the school in advance if you would like to be contacted on a different number.

- Should, for any reason, staff be unable to call at the allocated time, a further contact will be attempted later in the week.
- There will be no appointments for S2 Enterprise.
- Where parents have booked a double appointment for French and German, this will still be covered in one 5-minute slot.
- Mr Russell will be unavailable on Tuesday evening and will try to contact parents at another time.
- A small number of Ms Sanderson's appointments on Wednesday 4<sup>th</sup> November will take the form of a video call. Relevant parents will be notified via a separate email communication.

Yours faithfully
