Dear Parent / Carer,

Home Economics Course

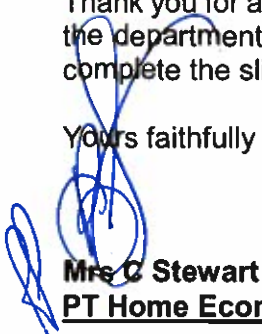

As part of their Home Economics course this session your child will be working through a practical based course. They will take part in a range of practical textile-based activities. As we are continuing to undertake the normal level of practical activities with Covid risk assessments in place, we ask that each pupil contribute a one-off payment for the year of £15 towards covering the cost of some of the basic materials. This should be paid by Friday 4th December. If you would like to discuss financial assistance, or you wish to pay in instalments please contact the school office and request to speak with your child's guidance teacher.

If you require this to be made in instalments, please contact the school office.

As we are unable to accept cash payments in school this should be paid via ParentPay. If you have not yet activated your child's ParentPay account, please contact the school office for your activation code.

Thank you for assisting us and please contact the school if you require more information about the department, or if you have any difficulties making this payment. We would ask that you complete the slip at the bottom of this letter and return to the school as soon as possible.

Yours faithfully

Mrs C Stewart
PT Home Economics

Name of pupil: -----

I am aware of the charges required to complete the Home Economics course and agree to pay the money into the school ParentPay system or make contact with the school to discuss this further.
