

GME P1-3 Learning from Home Plan

Week Beginning:18.01.2021

	Literacy	Numeracy	Topic/ Other
Monday	<p>Phonics, reading and writing activities for this week are assigned on Seesaw and will be available from 8am this morning. They should be completed throughout the week at a pace to suit you and your child. They can be completed on screen or printed out and photographed for upload.</p> <p>Whole class session at 1pm: click on the link in the Notes session below</p>	<p>Learning Intention: to record data in picture format</p> <p>Activity: use the chart to record the weather every day until the chart is full. (link to BBC Bitesize weather programme & GoGaelic weather topic below)</p> <p>If it's sunny, where in the sky is the sun? *remember never to look directly at the sun* Ask an adult to help you decide. Can you see the moon in the sky today? What shape is it? If you can, go outside after dark at tea-time to look for the moon then too. Can you see it? Can you see the stars? How many can you count?</p>	<p>Learning Intention: to keep fit and active</p> <p>Activity: Live stream Jo Wicks' PE lesson at 9am (20 mins) or choose 2 sets of Joe's 5-minute Moves to do today *****</p> <p>Learning Intention: to investigate light and dark through shadow</p> <p>Activity: when you are outside checking the weather, look for your shadow. See how it moves as you do. Can you make it longer or shorter? Wider or thinner? Can you find your shadow inside the house? When might you find your shadow indoors?</p>
Tuesday	<p>Learning Intention: using number shapes in maths activities</p> <p>Activity: live maths session</p> <p>Whole class session at 1pm: click on the link in the Notes session</p>	<p>Learning Intention: creating resources</p> <p>Activity: Number shapes are a useful visual tool to help learn number bonds. Make the number shapes cards using the printed sheet (cut out and stick onto cardboard) or create your own version using other materials. *Groups B-D please make 2 sets*</p>	<p>Learning Intention: to investigate light and dark through shadow</p> <p>Activity: Create a simple shadow puppet theatre and practise making shapes with your hands. Investigate how to make shadow characters larger/smaller and change shape. Resources on Seesaw; links to videos below.</p>

<p>Wednesday</p>	<p>Learning Intention: to use Gaelic to describe features of the characters in a story</p> <p>Activity: live story session</p> <p>Whole class session at 1pm: click on the link in the Notes session</p>	<p>Learning Intention: number bonds to 10/15/20</p> <p>Activity:</p> <p>Group A: use 2 number shapes (use shapes 1-6) together to make an addition sum within 10.</p> <p>Group B: use 2 number shapes to make an addition sum between 10 and 20.</p> <p>Groups C & D: use the shapes to make an addition sum within 30</p> <p>How many more sums can you make?</p>	<p>Learning Intention: to keep fit and active</p> <p>Activity: Live stream Jo Wicks' PE lesson at 9am (20 mins) or choose 2 sets of Joe's 5-minute Moves to do today</p>
<p>Thursday</p>	<p>Learning Intention: to use Gaelic to describe the setting</p> <p>Activity: live story session</p> <p>Whole class session at 1pm: click on the link in the Notes session</p>	<p>Learning Intention: record data using tally marks</p> <p>Activity: use the chart on Seesaw to count objects using tally marks. You can choose what to count. You could count the number different coloured socks you find (ill you count pairs or singles?!), or different items of cutlery in your kitchen, for example.</p>	<p>Learning Intention: to investigate light and dark through shadow</p> <p>Activity: Create a simple shadow puppet show with some Gaelic dialogue. Remember to practise what you want your characters to say. Will you use different voices for each of them? Upload to Seesaw when you are happy with your play.</p>
<p>Friday</p>	<p>Learning Intention: listening & talking</p> <p>Activity: show & tell: choose one of the shapes from the hand shadow puppets to show us and tell us about the different shadows you have made this week</p> <p>Whole class session at 1pm: click on the link in the Notes session</p>	<p>Learning Intention: number bonds to 10/20/30</p> <p>Activity: complete the number bond activities on Seesaw</p>	<p>Learning Intention: to keep fit and active</p> <p>Activity: Live stream Jo Wicks' PE lesson at 9am (20 mins) or choose 2 sets of Joe's 5-minute Moves to do today</p>
